

GAN Noel Bullock Gallery Exhibition Agreement

between: **The artist** _____

and: the **Gananoque Arts Network** (hereinafter called GAN)

This agreement is for the exhibition **“The Art of Everyday Life / L’art de la vie quotidienne”** to be shown in GAN’s Noel Bullock gallery at 167 King St. East.

It is hereby understood that:

Only work of GAN Subscribers (\$25 annually at ganarts.ca/plans-pricing) will be shown.

___ The artist will allow their work to be curated and shown with that of other GAN artists in a display designed by the GAN Exhibition Committee. This will be based on what the committee believes will make a thematic statement and/or an aesthetically pleasing presentation in the space available.

___ A \$20 entry fee per work is requested.

___ The artist is asked to provide an 8.5 x 11” page giving your name; the work’s title and medium; an artist’s statement about the work; a short bio; and price and contact information if you wish to provide it. This information will be displayed in a binder accompanying the exhibition.

___ The provision of the artist’s contact information may lead to sales. If a sale is made through exposure in the show, it is customary that a 20% (or more) donation be made to the GAN.

___ While efforts will be made to keep the work safe, the artist should know that the work will be displayed in a space that may occasionally be unsupervised. The GAN is hereby released from liability for damage or loss of the work displayed including digital theft.

___ The artist agrees to keep their work in the show for its duration (estimated: mid-September, 2026) and allows images of their work to be included in GAN promotional materials, social media, and/or website unless otherwise stated.
